Quiet street in the central city area in the business environment. Close to Kalenic open market and Buoulevard. The building is brand new, modern, secured with video surveillance. The apartment is very luxurious, unconventional decorated in a Mediterranean style; a very bright and modern, simple forms. The floor is marble ceramic with floor heating. Alum external carpentry resistant to all weather conditions. Inner joinery made of MDF. The kitchen is minimalistic equipped, milky white color, of veneered MDF, combined with tempered glass. Everything in the apartment is automated; blinds, heating and cooling. Master bedroom is very spacious, with a bathroom with hot tub and intricate tiled walls, separated from the room with transparent door. Corresponds to modern life, the business man who wants to be within easy reach of the city's events.
