House located in a quiet street in residential zone of Vozdovac, with good traffic connection to Autokomanda and the city center. Position within reach of public transportation and well connected to different parts of the city. House is built of quality materials, with a smaller (150m²) yard at disposal. It spreads over three levels, with additional basement level divided into two residential units. Ground floor and first floor are connected with inner circular staircase, while the third floor can be reached through the outer covered staircase. There are eight bedrooms at disposal, with an option of providing more if needed and eleven offices in total. Functional structure suitable for various business activities. It can be empty or fully furnished with combination of newer and classical furniture.
