An impressive building in the immediate vicinity of Beli dvor (White Palace). Detached house located on 11 acres of land. It extends over 4 levels. On the lower level there is a large garage for 13 vehicles, a boiler room with 8 separate electric and gas boilers, a large professional kitchen, dining room, laundry room, additional rooms with bathrooms. The ground floor, first and second floors are residential. The house has a total of 29 rooms, 19 bathrooms, 4 large terraces. Behind the building is a well-maintained garden with a swimming pool, which is currently closed. The approach to the garage has snow heaters. At the entrance there is a porter's office with its own bathroom. The possibility of installing an elevator. Space suitable for various purposes.
