A building placed on a large plot, very close to the main road, which connects Zemun and Batajnica. At only 1 km distance from highway to Novi Sad with excellent access. Plot is paved. Space which is available for rent is placed on the first floor of a business part of a building. It consists of three offices, kitchenette and two restrooms. Office space is modern and bright, while heating pumps provide cooling and heating. Entrance floor is covered with granite. Two parking spaces are at disposal for future tenant for additional price.
