A nice apartment in a house, near the Botanical Garden, tucked away among the buildings, at only 15 minutes walking distance from the pedestrian area of the city center. The apartment is on the ground floor of the house, and there is also a small front yard, as well as a parking space near the gate. Spacious apartment with one bedroom and a bathroom with a corner spa bath. The living room is interconnected with the dining room, partially separated by arches. The kitchen is next to the dining room, fully equipped with cupboards and appliances. The combination of furniture, light and feeling of space makes this apartment very comfortable for a single person or a couple.
