Very nice apartment, situated in a quiet street near the St Sava Temple. It is housed on the third floor of a building with an elevator and spreads over two levels. On the lower level there is a kitchen, a dining room interconnected to the living room with an access to a large terrace, a bathroom with a shower cabin and a spacious storage room. The upper level consists of three bedrooms and a bathroom with a shower cabin, as well. The upper level also has a kitchenette. The roof has slopes, but they are well used and do not interfere with the use of space. The apartment is in excellent condition, renovated, bright and furnished with nice pieces of furniture. Modern and comfortable, it represents a real peaceful oasis in the heart of the city's life.
