Completely renovated and very bright apartment in an excellent location, at the beginning of Krunska Street, in a quiet area away from the noise of the city. It is located on the 4th floor of a well-maintained building and offers an excellent combination of comfort and functionality.

The apartment has a spacious living room, two bedrooms, as well as two bathrooms, one with a bathtub, the other with a shower, which makes it ideal for a family and a comfortable city life. The kitchen is brand new and custom made.

Additional value to the property is given by the abundance of natural light, the quiet location of the apartment, as well as the parking space in the courtyard of the building, which is a rarity in this part of the city.

An excellent choice for anyone who wants a high-quality and functional apartment in one of the most sought-after locations in the city.
